-AFFORDABILITY-

1. Family Bundles

This was offered by some vendors last year, and is an easy form of offering an affordable option - e.g. two adult meals and two kids meals for set price

2. Hot Drink Bundles

Again, you may wish to offer, for example, four hot drinks for a set price, or a free traybake(s) if four drinks purchased

3. Smaller Portion Options

Alternatively, smaller portions may be an option - half portion of chips / poke of chips for example.

4. Total Bill Discount

Suggested by an applicant, a 'family discount' of e.g. 10% could be applied to the final bill

5. Share Box

To ensure affordability for those not attending as a family - set price Share Boxes would be a good idea! And these are very on trend. Kiddie Share Box, £20 Share Box...!
